## **18+ “A” Ranking Formula Exemption**

For the 2009-2010 playing season, teams registered in the 18+ “A” division be exempt from the Ranking Formula stipulation that “Any tournament with associations included in the league play will be considered in region and no out-of-region factoring will be applied”

This decision has been made due to the inequitable offering of tournaments hosting the division throughout the Province. The majority of teams at this age level and division are participating in CORL this season, making an opportunity to take part in out-of-region tournaments difficult.
