Come Try Ringette – Training

This program was revised by Ringette Canada this season and as a result:

- Resource Manual has been revised
- A Participant Workbook was developed
- A clinic was formalized to facilitate training individuals
- Master Facilitators were trained

HOW DOES THIS AFFECT YOUR ASSOCIATION?

- Association must be trained in the new program

The training takes 3-4 hours and it is recommended that 2-3 individuals from each association be trained. Again, it is ideal to train more than one association at a time. Jodi Walsh is Ontario's Master Facilitator and she can be reached at toadallycool9@hotmail.com.

If your association is not following the CTR procedure or have not been trained in the revised CTR program you must not call it a CTR event or use the CTR display and resource materials.

We thank you in advance for your cooperation in this initiative.
