MEMBERSHIP NOTICE

The Games and Tournaments Committee have made several changes to the Operating Manual

THAT: If an appeal is required for the wild card selection process, the Association will have forty-eight (48) hours to submit the request and the ORA will have forty-eight (48) hours in which to respond.

RATIONALE: Wild cards are announced approximately three weeks prior to the beginning of the event which does not give adequate time to allow for the decision review and appeals process as outlined in the Operating Manual. The Committee does not want to eliminate the appeal process, but it needs to be done in a time frame that can be acted on for the event.
