The Adult Development Committee have made several changes to the Operating Manual

**THAT:** Composite teams can be developed at the A/AA level; however, they require G&T approval to play in sanctioned events.

***RATIONALE:*** *A discussion was had with G&T to allow A/AA composite teams. We believe that making this option available is a legitimate request, however, due to seeding and play structure, G&T will have final approval with regards to any team playing in sanctioned events. This is more to do with out of province tournaments and non provincial qualifiers.*

**Where:** Operating Manual Adult Development Section 1.6.6 pg 3
