U12 Sorting Process for 2011/12 Season

As part of the process to ensure that teams at the U12 Petite Provincial Event are placed in divisions with teams of as similar a skill set as possible, the Provincial G&T Committee will be sorting the teams twice throughout the season as well as just prior to the event.

Teams will need to do their best to attend at least one tournament prior to November 21 and their second by January 15 to enable the sorts during the season to take place.

To qualify to attend Provincials, each team must attend two tournaments, a minimum of one of which must be out of Region and both must be completed by March 4.

September 19: Coaches must submit a list of 5 tournaments, in order of preference that they would choose to attend to their Regional G&T Coordinator by this date. If a team is interested in participating in more than two tournaments, they need to indicate the total number of both local and out of region tournaments that they would like to attend.

The Provincial G&T Committee will work with the tournament hosts to ensure that teams are able to attend at least two tournaments from their list. Data collected from the first tournaments and sort will also be used to assist hosts at tournaments in placing teams into more competitive divisions.
