Educational relocations must be reapplied for each Ringette season and are exempt from the three year and current association rules. If the player at any time drops out of the school program or ceases to be enrolled for whatever reason the education relocation is terminated immediately.

Required supporting documents for education relocation include;

- 8.1.1 Official confirmation of school enrollment

- 8.1.3 Proof of residential address for the school year, which can include official communications from the school showing the new address, utility bill and/ or permanent driver's license showing new address.

Valid upon acceptance of the supporting documentation by the receiving membership services coordinator. - 8.3.1 The player can continue to be the property of the association to which they currently belong to abide by the rules of their home

region.

8.3.3 If the relocation is accepted and approved, the player, parents and association are required to report promptly to the Region any material change in any fact or document submitted as part of the relocation request.

8.4
**Relocation
Decision
Appeal**

Relocation requests that are denied may be appealed to the tribunal process of the receiving region within seven (7) days of the decision. Associations who feel that an approved relocation has impact upon their association and feels the relocation should have been denied may, following the Regional Tribunal Process, request a tribunal hearing on the approved relocation. An association request for tribunal hearing on an approved relocation application must be formally initiated through the regional tribunal process within seven (7) days of the decision. Should the tribunal request be accepted by the region the player's residence will be deemed as the former address until the tribunal has been completed and the matter resolved.

- The player must initially be a registered player and complete Part 1 of the Player Tryout/Release Form
- The player must obtain the signature of the President of the Home Association on the Player Tryout/Release Form before being allowed to participate in another association's tryouts. The Home Association may not deny any request for tryout, however, signing the tryout portion (Part 1) of the Form does not mandate the Home Association to sign the release portion (Part III) of the Form. Faxed copies of signatures are acceptable.
- No players may be allowed to tryout ice of an association other than their local association without submitting a "Tryout/Release Form". Consequences for violation of this

rule may include any or all of the following penalties:

The timeline for providing these lists will be determined by the Regional Membership Services Co-ordinator.
 - The Receiving Association will complete Part II of the Player Tryout/Release Form only after the player has been selected for one of its teams. (If the player is not selected, no further action will be taken and the form may be retained on file by the Receiving Association). O.R.A. All appropriate O.R.A. fees and dues for that applicant will be recorded with the Receiving Association.
- 9.1.5 An Application for Player Release approved for the same individual from the same Releasing Association to the same Receiving Association for three (3) consecutive seasons shall constitute a permanent Registered Member change for that individual. All records held with the Corporation shall so change on the Registration expiry date of the third consecutive year.
- 9.1.6 The approved release shall expire at the completion of the

player's current playing season.

- 9.1.7 If a player has been released to an A or AA team, for reason "Level of Play", that team will be committed to remain at the A or AA level for the remainder of the season and the team cannot retreat to any lower level of play.
- 9.1.8 A Player Release granted on "Level of Play" will only be released to the closest association offering that level of play. This association is considered the player's "Current Association" and has first right to receive the players if released by the player's "Home Association" Closest association shall be governed by the player's Home Region Policy.
- 9.1.9 Each year a player's first loyalty must be to their home association. If the home association hosts tryouts for their level of play they must attend and if selected must remain with their home association. If released on level of play from their home association and their "Current Association" hosts tryouts for their level of play they must attend and if selected must remain with their "Current Association". If their "Current Association" does not offer or does not accept the player then the "Current Association" relationship is terminated and they must follow their regions closest association policies based upon their home association.
- 9.1.10 In all cases any interruption of the "Current Association" relationship terminates the relationship of the player to the association and they return to the home association relationship. If they are released to a new association this then becomes their "Current Association".
- 9.1.11 For purposes of determining the closest association, the associations within the player's home Region will have priority over associations in another Region regardless of proximity. The Executive of player's home Region will resolve any disputed situations.
- 9.1.12 Where a release is approved by the player's Home Region for release to another Region, determination of closest association shall be governed by the Receiving Region's policy.
- 9.1.13 A Provincial U12 Petite player **may** be released for level of play **if not offered a position on a provincial team in their own association.**
- 9.1.14 Where level of play is offered, a player must attend Provincial tryouts in their association. If the level of play is not offered in their home association, the player must attend Provincial tryouts at the next closest association. Any player not meeting this

standard will not be allowed to play at the Provincial level for the current season.

**9.2
 Recruitment of
 Players
 Guidelines**

These guidelines have been developed for associations when forming teams at the beginning of each season. The intent is to allow associations to form teams at the levels they wish without concern for interference, intentional or otherwise, from any other associations. Recruitment of players, which is defined as direct contact of players without their association’s knowledge and approval, will not be tolerated.

- 9.2.1 Contact must always be at the level of Association President to Association President to determine if specific players may be available to another association.
- 9.2.2 No member of any association intending to develop a team at a specific age level may directly contact players and/or members from another association. Deadlines and methods of communication of team levels to be established on a Regional basis.
- 9.2.3 No players may be allowed on tryout ice of an association other than their local association without submitting a “Tryout/Release Form” (as outlined in the Application for Player/Release Procedures, Section 1 above).
- 9.2.4 That player eligibility be defined by residency only for all AAA teams. Players living in another Province, playing in Ontario, are not eligible for Team Ontario. A player who resides in a Region where there is no Regional All-Star team has the right to tryout and play for the closest Regional All-Star team with Board approval.
- 9.2.5 If a member wishes to pursue a complaint against another member for violations of “recruitment of player guidelines” they must submit their complaint in writing to the Regional Director for their action. Consequences for player recruitment may include any or all of the following penalties:
 - Release not granted
 - Bench Staff suspension
 - Monetary fine up to \$1,000.00
 - Team disqualified from Provincial Championship play

The Region will determine the penalties appropriate for the circumstances.

10.0 CONTESTED APPLICATION FOR PLAYER RELEASE

- 10.1 The player **must not** appear on the ice for any Local Association who is involved in the contested Application for Player Release until the Charter Member (Region) Release Tribunal has rendered a decision.
 - 10.2 Any player contesting an application for player release must be a registered member of their home association and provide proof thereof for the season in which the release is being requested. A formal written request for a release tribunal must be submitted to the Region within seven (7) days after the player has received written confirmation that the 'application for player release' is denied. The request for tribunal must follow regional policy.
 - 10.3 The Charter Member (Region) shall convene a Player Release Tribunal Hearing within seven (7) days of receipt of the Contested Application for Player Release Form from the Receiving Association.
 - 10.4 The Charter Member Release Tribunal shall be chaired by the Regional Director or Designate and consist of three (3) persons as appointed by the Regional Director and the Membership Services Co-ordinator of the Charter Member (Region).
 - 10.4.1 The Regional Director attends the Tribunal to ensure the procedures are followed and to Chair the meeting, not to influence the tribunal. The Regional Director does not participate in the discussion or vote on the decision.
 - 10.4.2 The Membership Services Co-ordinator must be present as a resource person and does not vote on the decision, but may answer questions.
 - 10.5 The Tribunal shall ensure that the O.R.A. office, Releasing Association, Receiving Association and the Applicant are notified at least three (3) days in advance of the time and place of the Release Tribunal Hearing.
 - 10.6 When all speakers have been heard and all questions have been answered, the Tribunal Panel retires to discuss and render their decision. The Tribunal shall render a decision with rationale based on the evidence provided at the Release Tribunal Hearing regardless of whether any of the Releasing Association, Receiving Association or Applicant is not in attendance.
 - 10.7 Copies of the tribunal minutes and any submitted statements to be forwarded to the O.R.A. office in a timely manner.
 - 10.8 Any appeal of this Player Release Tribunal Hearing's decision will follow the O.R.A. Appeals Policy.
-

11.0 “TWO TEAM PLAYER” PROCEDURES

The intent of the Two-Team Player Agreement is to maintain the viability of smaller associations while allowing players to experience Provincial level play. It is not designed to allow all Provincial level players to participate at the Regional level as well. Regions must set their own policies regarding the number of two-team players on any given TRF in order to achieve the intent of the agreement.

All information for two team player agreements must be to Games and Tournaments and Membership Services by **DECEMBER 15th** and must include completed priority listing for tournaments and applicable signatures.

11.1 Any B or C player may play on a Provincial team and register on both T.R.F.'s. A player may only leave her home association if that level of play is not offered or player does not make the Provincial team. (Must attend tryouts).

11.2 A Two-Team Player Agreement may be entered into when a player has been released to a Provincial level team back onto a Regional level team. The agreement must be reviewed and approved by both the Regional G&T and Membership Services Co-ordinators.

11.3 The option for priority between the two teams is defined on the Two Team Playing Agreement Form. The general hierarchy is Championships before Tournaments; Tournaments before Games; Games before Practices; Practices before Meetings; Meetings before Social Activities. If there are points that cannot be agreed upon, the Regional G&T and Membership Services Co-ordinators will finalize any conflicts using these guidelines and with consideration of the importance of these events. If all concerned agree when the hierarchy is different in a given situation, the agreed to solution can be approved. Players having to cross regional boundaries must deal with both Co-ordinators.

If there is a problem the G&T and Membership Services Chairs will make the final decision.

11.4 Players who have been denied a release may not enter into a Two-Team Player Agreement with the team to which they were denied the release.

11.5 Two team agreements must parallel the framework used for releases within a given Region.

11.6 Player must register with their B or C team and play with them all year, including Regional Championships and Sanctioned Events. If their calibre of play raises this team to a Provincial level, the player may play only for the Priority Team as noted on the Agreement.

11.7 The Playing Agreement Form (Appendix M-F-02) must be signed by the player/parent/guardian, applicable coaches and Association Presidents/Designates and G&T Co-ordinator and Membership Services Co-ordinator.

- 11.8 A player cannot play in more than one (1) sanctioned event on more than one (1) team or in the same sanctioned event on the same weekend.

NOTE: Does not apply to A.D.P. Players.

12.0 RISK MANAGEMENT

Introduction

It is the policy of the Ontario Ringette Association to develop, implement and monitor an effective Risk Management Program designed to foster the spirit of competitiveness in the safest possible environment. The Risk Management Program includes the identification, assessment and efficient, effective control of risk. It is the duty and responsibility of every member, coach, official, volunteer, staff and director to practice Risk Management on a continuous basis.

The practice of Risk Management is considered by the Ontario Ringette Association to be as critical as physical conditioning, sport instruction, marketing and advertising initiatives. Total commitment to the philosophy of Risk Management is critical to the avoidance and reduction of risks.

12.1 Risk Assessment Guide

Almost every situation has a certain degree of risk potential. As a safety conscious organization it is imperative that we recognize these potential risks and act accordingly to reduce or eliminate any possibility for injury. More frequent incidents that can result in serious injury should be rectified

immediately with firm action and education, whereas fewer frequent situations that pose no major threat of injury can be dealt with in a less formal fashion. To assess a situation you should ask “How frequent does this occur?” and “How severe might an injury be?” The Risk Assessment Guide will assist you in dealing with potential risks.

Risk Potential	Severity	Frequency	Implementation of Risk Control Technique
Few incidents/minor consequences	Low	Low	Minimum time and effort spent on Risk Control
Many incidents/minor consequences	Low	High	18 - 24 months to rectify
Few incidents/major consequences	High	Low	6 - 24 months to rectify
Many incidents/major consequences	High	High	Rectify immediately

12.2 Incident Reporting Relationships

All potential and actual injuries resulting from participation in Ringette must be reported immediately (within two (2) business days) to the O.R.A. office using the Risk Management and Safety Incident Form (M-F-13). From these reports the Provincial Membership Services Committee can compile data to more effectively monitor and control risks within our sport.

12.3
Implementation

It is the responsibility of the Membership Services Committee to act on the gathered information collected by the Regional Co-ordinators. The Membership Services Committee will take action in the following manner:

Step 1 - Study the gathered data and assess the frequency and severity of the incidents

Step 2 - Do appropriate research in order to develop an action plan

Step 3 - Make necessary recommendations to the Board of Directors

Step 4 - Monitor the action taken to rectify the identified risks

e.g. Data collected in the 1993-94 season indicated the majority of reported injuries were to the shoulder and collarbone areas. The Committee felt that the use of shoulder pads may reduce the frequency of these injuries, and has recommended that their use be promoted.

12.4
Communications

12.4.1 To fulfill our goals, the Membership Services Committee will use the following to ensure a continued focus on this program:

- Newsletter Articles - twice annually - or as produced
- REF-O-GRAM Articles - twice annually - or as produced
- Coaches mailings - twice annually - or as produced
- Surveys to all Members, Coaches and Referees
- Hints and Tips Sheets to all Members, Coaches and Referees
- Letters of Update to all Members, Coaches and Referees
- Presentations at Standing Committee Meetings
- Presentations at Regional Meetings
- Regular status updates to Executive and Board of Directors
- Public Awareness posters aimed at all participants

12.5
**Risk Management
and Safety Audit**

All arenas used for Ringette Activities must have a Risk Management and Safety Audit Form (Appendix M-F-17) completed on an annual basis.

Risk Management and Safety Audit Forms, with appropriate instructions for completion, will be sent to each association at the beginning of each season.

Associations will be fined \$50.00 per facility for failure to submit the Risk Management and Safety Audit Form by the deadline.

Please complete and forward to the Regional Membership Co-ordinator by **NOVEMBER 15th**.

Please complete and forward to the Regional G&T Co-ordinator as part of the Pre-Tournament Requirements.
