The Adult Development Program was established to provide the continuation of the sport of Ringette™ for adults in the province of Ontario.

As participants in the sport of Ringette™ at the adult level, the Committee recognizes you have specific needs and requirements, many of which are very different from those of youth. Your Provincial Standing Committee would like to emphasize that the organization and development of programs and activities has been geared to meet your specific needs and requirements. In these times of change, teams should maintain a degree of flexibility that will provide the adult players with a place to play at their level of skill.

- viii. To develop and promote the 30+ (Masters) and Co-ed divisions.
- x. To liaise and communicate with other local associations within your Region.

c. Levels of Play

- i. A: For the highly competitive athlete coming from the elite and competitive ranks of the minor system.
- ii. B: For the competitive athlete who plays with others of the same calibre; with few exceptions, players coming from the minor system would find this level most suitable.

The Adult Development Committee will accumulate statistics and evaluate the team's performance for seeding adjustments in sanctioned play on on-going basis. Adjustments to seeding are based on on-ice performance.
- iii. By mid December, the Adult Development Committee will identify any teams that, based on available data, are "red flagged" for discussion on re-seeding. These teams will be informed in writing of the recommendation.
