**Resume for Executive position on Ontario Ringette Association Board of Directors**

Having been involved in volunteer positions for over 50 years, I feel that I have a diverse background of involvement that will assist me in fulfilling the obligations for the position of an O.R.A. Executive member.

I have been involved in many activities before I had my 2 children and afterwards with any of the activities in which they became involved. Volunteering for St.Catharines Ladies Softball, Niagara Regional Ladies Softball, St. Catharines Ringette, Softball Ontario, Southern Region Ringette, soccer, school groups, and now Ontario Ringette has been very rewarding. I have been involved in Ringette for over 30 years.

Over the past year I have been the O.R.A. Vice-President Technical. This position oversees 3 committees (Coaching, Officiating, & Rules Development). It was very challenging and I have started a process that I would very much like to continue.

I look forward to working with all players, parents, volunteers, and staff to ensure that Ontario continues to move forward in being a leader in the sport we all love. We will not always agree on how to do this but need to understand that we all want the same thing in the end. With no affiliation to a team or association I feel I bring an unbiased voice on the Board of Directors.

For the reasons above, I seek your support in re-electing me as an Executive member of the O.R.A. Board of Directors.
