1.0 O.R.A. COMPETITIVE STRUCTURE

1.1 Competitive Levels

1.1.1 In Ontario, Ringette™ is played at different competitive levels: Recreation, Regional C, Regional B, U12 Regional, U12 Provincial, Provincial A, and Provincial AA. In order for teams to participate in sanctioned tournaments and at Regional/Provincial Events, they must register at one of the stipulated competitive levels by completing a Team Registration Form as directed for registration in the Membership Services Section of the Operating Manual.

NOTE: One additional level, Provincial AAA played at the Elite level is made up of Regional and Provincial All-Star Teams. Refer to the Elite Development Section.

1.1.2 The Regional B, C and U12 Regional levels are the responsibility of the Regional Committee along with the Regional Games and Tournaments Coordinator. They shall be responsible for the sanctioning of regional level tournaments and Regional B and C Championships. These events shall adhere to the current O.R.A. Sanction Rules.

- There must be a mandatory coaches meeting prior to the beginning of all regional championships.
- The 18+, B, BB, C, CC Recreational and 35+ B, C, and Recreational levels are the responsibility of the Adult Development Program. The Adult Development Program shall be responsible for the sanctioning of Adult Regional and Recreation level tournaments and championships.
- Community Recreation Level is the responsibility of the Local Association.
- The Team Composite Number must be included beside the Team Name on the Team Registration Form for the teams registered in the U8, U9, U10, U12 Regional and U12 Provincial Age Divisions.

1.1.3 All Provincial levels shall fall under the mandate of the Provincial Games and Tournaments Committee. The Provincial Committee shall be responsible for sanctioning Provincial level tournaments as well as organizing the Provincial Events. These events shall adhere to current O.R.A. Sanction Rules.

1.2 Seeding of Teams

1.2.1 Seeding of Regional B, C and U12 Regional teams is the responsibility of the respective Region. The Provincial G&T Committee will give advice and recommendations to assist the Region in the seeding of teams.

- Each team and/or Local Association will seed the team at the beginning of the playing season. The Region will accumulate statistics and evaluate on an ongoing basis the teams' performance for seeding adjustments for Championship play. Adjustments to seeding are based on on-ice performance and are ongoing on a Regional Level. The G&T Coordinator and their Regional Committee will meet mid-season to evaluate and finalize the seeding of teams for Regional Championship play in accordance with Regional processes.

1.2.2 Seeding of Provincial A and AA teams U14 to U19 and 18+ A teams is the responsibility of the Provincial G&T Committee.

- G&T will be responsible for ranking and seeding of 18+ A teams for Provincials for penalty tracking and for assisting in determining divisions at tournaments. G&T will be responsible for 18+ A substitutions and composite teams at all sectioned events. G&T in conjunction with Adult Development will be responsible for 18+ A and 35+ B, C substitutions and affiliates when involving 18+ BB and 35+ B or lower registered players or third year U19 players.
- Adult will be responsible for administration, including registration, substitutions, affiliates and composite teams for all 18+ 35+ Regional level teams.
- Associations must receive approval from their Region through the Regional G&T Coordinator and with input from the Provincial G&T Committee, in regards to the Provincial level teams, to register two (2) teams in the same age division at the same playing level.
- Each team and/or local association will seed the team at the beginning of the playing season. The Regional G&T Coordinator will give advice and recommendations to assist them and/or local association in the seeding of teams. The Provincial G&T Committee will accumulate statistics and evaluate on an ongoing basis the teams' performance for seeding adjustments for championship play. Adjustments to seeding are based on on-ice performance at the Provincial Level. The Provincial G&T Committee will meet mid-season to evaluate and finalize the seeding of teams for Provincial Championship play.
- Any games in the original division played in a tournament against a team that gets reseeded up or down will not count for rankings. Attendance at the tournament does count.

1.2.3 PROCESS FOR RESEEDING TEAMS MID SEASON

- All U14 A – 18+ A teams must participate in a minimum of one tournament by the end of the first weekend in December in the current playing season.
- As of the beginning of the season, all teams will be under review for reseeding. All sources of data could be considered.
- From the ranking chart, a winning percentage of eighty percent (80%) or higher will be seriously considered for reseeding. The exposure factor won't be considered in this calculation. Teams below eighty percent (80%) can also be considered.
- The G&T Provincial Committee will hold a conference call during the first full week of December to determine which teams need to be reseeded.

- Teams will be informed in writing by the end of the second weekend in December of the current playing season, by the Chair of the Provincial G&T Committee if they are being reseeded. This communication will be copied to: the Provincial G&T Committee, the Regional Director, the Regional Coaching Coordinator and the Regional Elite Coordinator. Included will be a detailed written explanation as to how the decision was reached.
- As of January 1 of the current playing season, a team that has been reseeded may only participate in “AA” divisions in O.R.A. sanctioned events.

UPON BEING RESEEDDED

- The team must resubmit their Intent to Proceed to Provincials and any difference in the registration fees.
- Bench staff members must comply with the required bench staff qualifications.
- Regional G&T Coordinators must inform all “AA” tournament hosts in their Region that the team has been reseeded to “AA” so that schedules can be revised accordingly to allow the team exposure to “AA” competition.
- The Regional G&T Coordinators must notify the League in which the team plays that the team has been reseeded and recommend that the League reflect the change in the game schedule.

1.2.4 Ranking U12 Provincial Teams:

- **Committee of U12 Coaches:** Identify one coach per region who will closely follow the teams and provide input one week prior to the G&T March Conference Call where the final pools are set. This committee will be identified during the September Conference Call when the tournaments for this division are discussed to allow the committee members an opportunity to be following the teams from the beginning of the year. It would be the responsibility of each Region to appoint someone who they know has proved themselves to be able to put the good of all ahead of the good for a few.
- **League Play:** Currently the differences between rules for League play and Tournament play vary across the Province. League play is not monitored on site by Provincial G&T Coordinators or Officiating Supervisors, so this cannot be used as a primary source for setting pools. Leagues should be encouraged to follow the Provincial rules more closely for this division. These results could be used as a secondary source of data to be used in difficult to assess situations.
- **Date for Determining of Pools:** During the week immediately following the last tournament to host a U12 Provincial Division, G&T sets the pools, then sends them to the committee of coaches for their input. Regional Coordinators are encouraged to seek input from their coaches prior to the conference call. Data from the last tournament won’t be available until close to the date for the conference call, so coaches should be approached for their

input as to which teams they feel they are competitive with ahead of time and then given the opportunity to modify their suggestions should there be a huge upset at the final tournament.

- **Consideration Given to Who Plays Who In Tournaments for Determining Pools:** Input is required from the U12 Coaches Committee as they are actually involved in the play, have a better opportunity to watch more of the games at the division and can offer valuable comments regarding the actual “level” of play as opposed to the “outcome” of the game. The final decisions regarding pools in tournaments will be the responsibility of the Provincial G&T Committee.

3.5.7 Player Substitutes for Invitational Tournaments

NOTE: The substitution procedure is designed to assist association teams who, from time to time, experience a last minute shortage of players due to injury or illness. It is not intended to build a team's caliber but to maintain a minimum team's roster size, and to avoid any last minute cancellations that result in expenses to the Host Association.

- For the purpose of substitutions, the playing seasons extends from October 15th to April 15th.
- There will be no lateral substitutions for AA ranking games (no substitutions of same age player at same playing level).
- Substitutions for AA ranking games will follow the substitution chart and be approved by regional G&T Coordinator
- 18+ Jacks teams will be permitted to draw substitutions from ORA registered U19AA players.
- 18+A and 18+A Jacks teams can draw substitutions from ORA registered U19 players who are seventeen (17) years old by DECEMBER 31st of the current playing season.
- Eligible players for all divisions up to and including U19 are as follows:
 - Shall be registered with your association and be an O.R.A. registered player. When your association has no appropriate age division or calibre teams, you must apply to your Regional G&T Coordinator for possible solutions.
 - Can choose either/or: *See Substitution Chart

- same age division or one lower, same calibre or less
 (example 1. A U16 AA team could choose:
 a U16 AA, A, B or C team player)

(example 2. A U16 A team could choose:
 a U16 A, B or C team player; or
 a U14 A, B or C team player)

A U19 player, who has decided to play 18+ by registering on an 18+ TRF, is not eligible to substitute for a U19 Team (except where a Two Team Player Agreement exists).

- Teams may carry up to four (4) substitute players in total per tournament. They must actually replace a player who is unable to attend part or all of that tournament. If the player they are replacing returns to play, the substitute may NOT continue to play, although they could then replace another player who was injured or called away. The Roster can NEVER increase in size as a result of a substitute and **cannot exceed twelve (12) skaters with substitutions.**
- Players registered as U19 or under may play as a substitute for ONE (1) tournament in a season. Players registered as 18+ may play as a substitute for TWO (2) tournaments in a season. The goaltender is exempt, as long as the goaltender is substituting for a goaltender. Any player that appears on more than one T.R.F. Adjustment Form constitutes violation of Sanction Rules (goaltender exempt), unless written Games and Tournaments approval is received.
- Players (including goalies) cannot play in more than one (1) sanctioned event on more than one (1) team on the same weekend or in the same sanctioned event.
- All substitutes must be listed on the T.R.F. Adjustment Form (Appendix G&T-F-07) and be submitted to the Invitational Tournament Host Chair within their specific deadlines and/or at the Event Registration, and/or before a game to substitute for a player who had to leave the tournament.

NOTE: Associations withdrawing from the Provincial Events after the withdrawal deadline: **DECEMBER 31st** of the current season shall be fined \$1000.00 in addition to the Administrative and Team Entry Fees, which are non-refundable.

If the entry fees have not been received by the O.R.A. office at the time of withdrawal, the association shall be invoiced the full amount.

4.6 Registration

The filing of the Intent to Proceed Forms with the required fee constitutes registration for the event. All other rules and policies apply for qualification.

Note: Where O.R.A. has indicated that there is an approved accommodation booking agent, teams must use this service for Provincial Events or be subject to a fine of \$1000.00.

**4.7 “A”
 Provincials Wild
 Cards and
 Vacant Entries**

- 4.7.1 If a Region or Host fails to enter a team in any division, the Provincial G&T Committee shall select a team to participate in its place. This team is to be called a “Wild Card Entry”.

- 4.7.2 In the case that a Region forfeits its entry, the entry shall be filled by the Provincial G&T Committee, where possible, with the next highest ranked team available in that age division (but not from a higher level of play).

**4.8 “A”
 Provincials
 Selection of
 Wild Card
 Entries**

- 4.8.1 Filing of false information or failing to file pertinent information will result in the team being disqualified from this process.

- 4.8.2 Team records shall be taken from O.R.A. sanctioned events held prior to the Regional Representative Submission deadline, three (3) weeks prior to the start of the Provincial event.

- 4.8.3 Each team must participate in at least four (4) O.R.A. Sanctioned tournaments against teams at the requested division and level of play.

- 4.8.4 Teams must participate in whatever regional process determines their regional representative before being eligible for wild card consideration.

- 4.8.5 The criteria for selection of a Wild Card entry shall be determined on the following basis, by the Provincial Games and Tournaments Committee:

- Games between ORA teams only will be used in head to head competition during ORA Sanctioned events, could be in a different division or level in a tournament.

- For the Provincial Ranking System, games outside Ontario between Ontario teams in the same division are included in the ranking data but do not count in tournament total or in the tournament total outside of region.
- Only round robin games against teams within their division and level will be recorded with two (2) points for a win, one (1) point for a tie and zero (0) for a loss.

4.8.6 If an appeal is required for the Wild Card selection process, follow the process listed in Sports Administration: Policy section 22.0 Expedited Appeal Process.

**4.9 “A”
 Provincials
 Ranking
 Formula**

4.9.1 Team Performance

- Winning Percentage (%) in Sanctioned Events
 - Number of points earned divided by total number of points available
 - 2 points for win, 1 point for tie, 0 points for a loss.
 - Only round robin games will count towards points in the ranking process
 - Team performance during sanctioned events is a simple objective measure that directly relates to the competitive level of the team.

4.9.2 All “A” teams U19 and below must submit their tournament selections by July 15th , all 18+A and 18+A Jacks teams must submit their tournament selections by SEPTEMBER 14th and all U12P teams must submit their tournament selections by SEPTEMBER 18th. Each team must include tournaments from at least four (4) different regions and a minimum of two (2) tournaments must be prior to December 1st. The top four (4) tournament selections must include two (2) options from out of region.

4.9.3 If a team submits tournament selection to travel a total of two thousand (2000) Km, to attend three (3) tournaments, one (1) of which must be of region (and they do attend all three [3]) they will be considered to have filled their obligation for number of tournaments attended. Verification will be by Provincial G&T Committee using City to City by Google Maps.

4.9.4 The top four (4) tournament selections submitted by the coaches must include two (2) options from out of region.

4.9.5 A team withdrawing from a tournament will receive four (4) losses in addition to any other sanctions already in place.

**4.10 “AA”
 Provincial Team
 Ranking**

4.10.1 AA teams in the U14, U16, and U19 divisions to be ranked using the following format:

All “AA” Teams must submit by July 20th a list of 6 tournaments that they would like to attend in order of preference to their Regional G&T Coordinator. Teams are required to attend a minimum of four (4) ORA Sanctioned Tournaments. At the August SCM, the Committee will go through the list of preferred tournaments and assign teams to four (4)

tournaments accordingly. The ranking games will be assigned at this meeting. Failure to provide this information will result being assigned to tournaments as fits the requirements of the Provincial G&T Committee.

The winning percentage for the “AA” ranking will be based on the number of scheduled ranking games played. If a team withdraws from a ranking game, then that team will receive zero “0” points for the game and the opposing team will receive two “2” points and a score of 1-0.

4.10.2 Coaches will be encouraged to work cooperatively, to contact each other to find out which tournaments their teams are applying to so that they can apply to different tournaments and reduce the number of times that teams encounter each other. The Provincial G & T Committee will have the final decision as to which team’s play each other should a team try to manipulate who they play in an effort to gain extra points.

4.10.3 The winning percentage for the AA ranking will be based on the number of scheduled ranking games played. If a team withdraws from a ranking game, then that team will receive zero (0) points for the game and the opposing team will receive two (2) points and a score of one (1) – zero (0).

4.11 Timeline

Timeline for posting final rankings, tiers and wildcards.

- At least twenty four (24) Days Prior to Provincial Event: Scores from the last tournament to count towards ranking for wild card or for rankings for Provincial Events must be posted on the ORA website as early as possible on the Monday immediately following the tournament.
- At least twenty three (23) Days Prior to Provincial Event: The Provincial G&T Committee will hold a conference call on Tuesday immediately following the tournament to determine tiers and wild cards.
- At least twenty two (22) Days Prior to Provincial Event: The results of this will be posted on Wednesday.

- Fifty (50) minutes of game time consisting of two (2) periods. The first will be sixteen (16) minutes in length and the second will be fourteen (14) minutes in length or can be adjusted according to time left. 5.2.2 Any U8 on-ice coach who is violation of the rules will be asked to leave the ice surface for the remainder of the game and no substitutive will be allowed. The removal will be noted on the game sheet for follow through by G&T, Officiating and Coaching Committees.

5.3 Penalties

5.3.1 For disciplinary purposes, a curfewed game will be considered a complete game and all disciplinary actions will be taken in the manner warranted within the current O.R.A. Operating Manual policies as well as those within the Ringette Canada Rule Book.

5.3.2 Any penalties assessed to a participant after they have been ejected from the game (including penalty accumulation ejection) shall be deemed to have been committed after the game.

NOTE: While serving a suspension, bench staff must leave the enclosed playing or seating area of the rink so as not to have any influence on the progress of the game. Refusal to do so will result in forfeiture of the game by that team. The offender may also be subject to further suspensions by the league or governing body.

5.4 Excessive Penalties

- A Head Coach whose team receives thirty (30) minutes in accumulated penalty time in regulation play (overtime is exempt) shall be suspended from the next regularly scheduled game. Should that person be the coach on more than one team, the one game suspension must be served with the team that received the excessive penalties.
- A player who receives ten (10) minutes in accumulated penalty time, overtime

included, shall be ejected from the remainder of the game. The player shall be suspended from the next regularly scheduled game.

- All excessive penalties (Ten (10) minutes in a game for a player or thirty (30) minutes in a game for a coach) must be reported to the team's Regional Games & Tournaments coordinator within twenty-four (24) hours by both teams or prior to the next schedule game – whichever is sooner.

NOTE: Delayed Penalties wiped out as a result of a goal being scored must be recorded on the game sheet and count toward accumulated penalty time.

5.5 Match and Misconduct Penalties

All match and misconduct penalties must be reported to the team's Regional G&T Coordinator within twenty-four (24) hours by both teams or before the next scheduled game – whichever is sooner.

5.5.1 Game Definition:

Regularly scheduled games shall be defined as any game during O.R.A. sanctioned play, Interprovincial play, organized league, and pre-scheduled exhibition play. A game consists of two (2) fifteen (15) or two (2) twenty (20) minute periods of regulation time. Games are not to be scheduled in order to speed up suspensions.

A mini-game will not count as a game served as part of a suspension.

NOTE: Suspensions assessed by O.R.A. member associations for Match or Misconduct Penalties will be honoured in sanctioned events so long as proper notification is provided by the player's/coach's Home Association and the Tournament Committee in sufficient time to effect such action.

5.5.2 All match and misconduct penalties will be subject to an automatic review.

- If a misconduct or a match penalty is assessed against a bench staff member, then that person shall not participate on any other team in a bench staff capacity until the suspension has been fully served.
- If a misconduct or a match penalty is assessed against a player who is participating on a two (2) team player agreement, then the secondary position will never be more severely punished than the position held when the penalty was assessed.
- If a misconduct or match penalty is assessed against a person who participates in ringette as both a bench staff and a player when they are performing the role of a bench staff, then that person shall not participate on any other team in a bench staff capacity until the suspension has been fully served. If the penalty is assessed when they are participating as a player, then the secondary position will never be more severely punished than the position held when the penalty was assessed.
- If a misconduct penalty is assessed against a player or a member of the bench staff during play, the player or a member of the bench staff shall receive an automatic one (1) game suspension to be served in the next

regularly scheduled game.

5.5.3 Coaching Suspensions for Misconduct penalties should be: first offense = one (1) game, second offense = three (3) games, third offense = five (5) games, fourth offense = ten (10) games, fifth offense = lifetime suspension. Clock will be reset after two (2) years of zero (0) offenses. No reset for lifetime offenses.

5.5.4 If a match penalty is assessed against a player or Bench Staff in O.R.A. sanctioned play, the player/bench staff shall receive an automatic two (2) game suspension for a match penalty assessed during play, to be served in the next two (2) regularly scheduled games, and an automatic three (3) game suspension for a match penalty assessed after the game, to be served in the next three (3) regularly scheduled games. The player/bench staff shall be suspended from any team until the full suspension is served with the team he/she was a member of when the penalty occurred.

NOTE: Ringette Canada's one game suspension is included in the number of games to be missed. (i.e. if a player receives a match after the game, they must sit out one (1) game, Ringette Canada's suspension, and two (2) games, O.R.A.'s suspension).

5.5.4 If there is a second match penalty of the season assessed against the same player or Bench Staff in O.R.A. sanctioned play, that player/bench staff shall receive an automatic five (5) game suspension for a match penalty assessed during play, to be served in the next five (5) regularly scheduled games, and an automatic six (6) game suspension for a match penalty assessed after the game to be served in the next six (6) regularly scheduled games.
The player/bench staff shall be suspended from any team until the full suspension is served with the team he/she was a member of when the penalty occurred.

5.5.5 If a third match penalty of the season is assessed against the same player/bench staff during O.R.A. sanctioned play, that player/bench staff shall serve a ten (10) game suspension or the remainder of the season, whichever is greater. If the match penalty is assessed after the O.R.A. sanctioned play, that player/bench staff shall serve a twelve (12) game suspension or the remainder of the season, whichever is greater. Suspension shall be served in regularly scheduled games. The player/bench staff shall be suspended from any team until the full suspension is served with team he/she was a member when the penalty occurred.

5.5.6 When a bench staff is asked to leave a game and no penalty is recorded on the game sheet, they are considered to have been assessed a misconduct penalty and he/she will be suspended for the next regularly scheduled game.

5.5.7 It shall be the responsibility of the home association of the individuals involved to ensure that ALL game suspensions are served.

5.5.8 Persons participating in regularly scheduled games while under O.R.A. suspension shall be subject to penalties stipulated in section eight (8).

Violation of Sanction Rules/ in the G&T Section]. Note: Exhibition games are not considered regularly scheduled games unless they were previously scheduled before the suspension took place. **PROOF OF SCHEDULING IS REQUIRED.**

- 5.5.9 Suspensions stemming from match or misconduct penalty assessment shall carry over across seasons (within O.R.A.) and across governing bodies (O.R.A. - Ringette Canada) Provincials/Nationals, and vice versa.
- 5.5.10 Where a player or bench staff receives a suspension and is unable to fulfill the suspension with that team the Provincial G&T Chair and appropriate Coordinator will rule on terms of the suspension.

5.6 Games

- 5.6.1 The Host Committee may decide that, if time is not available, the games will remain tied at the end of regulation time and each team awarded one (1) point. (This must be consistently used throughout the tournament). Shootouts are never to be used in ORA sanctioned events, 3 on 3 events exempted.
- 5.6.2 If the score of a game is tied at the end of regulation time, there will be one (1) overtime stop time period. (i.e.: if two (2) fifteen (15) minute periods were used during regulation time, then the overtime period is fifteen (15) minutes), which will be sudden victory. (i.e. the first team to score in that overtime period will be declared the winner).
- 5.6.3 If neither team scores during the first stop time overtime period, there will be successive stop time sudden victory overtime periods until a goal is scored to break the tie.
- 5.6.4 Possession of the free pass to start the first overtime period is decided by the tossing of a coin by the referee. The team winning the toss will get the free pass. The other team will get the choice of ends.
- 5.6.5 If additional overtime periods are required, possession of the ring for the opening free pass will alternate between teams. The teams will also exchange ends for each overtime period.
- 5.6.6 All goals scored will be entered on the score-sheet, but the maximum difference of goals to be shown on the scoreboard and tournament charts will be seven (7) goals more than the lower scoring team's total. (i.e.: if the score is 12-1, show 8-1. If the lower team scores, change the scoreboard to show 9-2).
- 5.6.7 Running time can only be used in the second period and will commence at any time during that period when there is a seven (7) goal differential. If the goal differential goes below seven (7), then the game will go back to stop time. If a penalty is called during running time, then the clock stops and restarts when play commences. The clock will stop for injuries or if a time out is called and restarts when play commences during running time.

5.7 Point Structure

- 5.7.1 Teams receive two (2) points for a win and zero (0) points for a loss; and, in the event that the Host Committee decides to allow ties, one (1) point shall be awarded to each team remaining tied at the end of the game.

- 5.7.2 The team with the most points in each division will be declared the top team in that division.
- 5.7.3 The second place team is the team having the second highest number of points, etc.
- 5.7.4 In a forfeited game the score will be 7-0. The team forfeiting shall receive zero (0) points and the other team receives two (2) points. In a cancelled game (due to bad weather, etc.) the score is recorded as 0-0 with both teams receiving one (1) point.
- 5.7.5 If a decision by the Protest and Grievance Committee results in a team being disqualified and all other teams were scheduled to play that disqualified team then all games against that team will be eliminated. When not all teams play the disqualified team, the teams scheduled to play the disqualified team will be awarded two (2) points and a score of 0-0 is recorded.

5.8 Ranking of Tied Teams

When two (2) or more teams have an equal number of points after completion of the round robin games, the host is responsible to determine the rankings. When two (2) or more teams have an equal number of points after completion of the two (2) ranking tournaments, the Technical Director is responsible to determine the rankings. It is preferred to decide all rankings that will eliminate a team from medal play using the mini game procedures. Where mini games are not possible, use these ranking procedures to resolve all ties in standings.

NOTES:

- 5.8.1 **The maximum goals for per game are seven (7) more than the goals against.**
- 5.8.2 If a team(s) has forfeited a game, that team(s) will be ranked the lowest position(s) amongst the tied teams.
- 5.8.3 The procedures will declare team(s) in individual rankings. In some cases, there will still be a tie within the rankings. (i.e.: in a four (4) -way tie for first in a round robin, the procedures could place one (1) team clearly first with two (2) teams tied for second/third and one team fourth). In these cases, start at step one (1) and follow the procedures until the tie is broken then stop.

(Clarification on the process: As soon as a step is completed and one or more teams are ranked as a result of fully completing that step; go back to the top of the ranking of tied team's process. For example: If four (4) teams are tied, a tie between all four (4) teams could be broken in step nine (9). If the tie is only broken between two (2) teams at the end of step 9, then go back to step one (1).)

The ranking of the tied teams will be determined in the following order:

1. If one of the tied teams has beaten all other tied teams in every game between the tied teams, rank that team highest. In a split Round Robin format, all games count as Round Robin games and Team 'X' is considered an outside team and their results do not count for ranking or

tie breaking.

2. If still tied and all tied teams have not played each other equally go directly to Step seven (7).
3. If still tied, rank the teams in order of wins between only the tied teams.
4. If still tied, rank teams in order of the plus/minus (goals for minus goals against) only in games between the tied teams.
5. If still tied, rank teams using the following formula only in games between the tied teams:

$$\frac{\text{Goals For} + \text{Goals Against}}{\text{Goals Against}}$$

(With the highest value being the higher ranked team)

6. If still tied, rank teams in order of the most goals for only in games between the tied teams.
7. If still tied, rank the teams in order of wins between all teams.
8. If still tied, rank teams in order of the plus/minus (goals for minus goals against) in games between all teams.
9. If still tied, rank teams using the following formula in games between all teams:

$$\frac{\text{Goals For} + \text{Goals Against}}{\text{Goals Against}}$$

(With the highest value being the higher ranked team)

10. If still tied, rank teams in order of the most goals for in games between all teams.
11. If still tied, rank teams using the least fully served penalties in games between all teams.
12. If still tied, rank teams using least penalty minutes in games between the tied teams.
13. If still tied, rank teams using least penalty minutes in games between all teams.
14. At this point, if still tied, the following may be considered to break the tie:
 - a) Mini-game
 - b) Coin Toss
 - c) Draw from a hat

**5.9 Mini-games
for Provincial
Events**

The purpose of the mini game chart is fairness to all teams. All teams involved in a tie that would eliminate one or more teams shall follow the appropriate mini game format as determined by the mini game table.

- 5.9.1 Mini-games will not begin earlier than one (1) hour and twenty (20) minutes after the completion of the tied teams' last round robin game. It is the responsibility of all teams involved to be in attendance at the mini-game meeting immediately following this game.
- 5.9.2 It is the responsibility of the teams involved to be ready to play at the scheduled time. Failure to do so will result in forfeiture of the mini-game(s) by the offending team(s). Any team forfeiting a mini-game will be eliminated from medal round play.
- 5.9.3 A team required to play in a mini-game will be given a minimum of ten (10) minutes rest before starting the medal round game or another mini-game.
- 5.9.4 Teams involved in mini-games will be seeded by the Ranking of Tied Teams Procedures, during the tie-breaking meeting immediately following the last round robin games of teams involved in the tie.
- 5.9.5 Each mini-game will consist of a one (1) ten (10) minute, fully played, stop time period. If the score of a mini-game is tied at the end of regulation time, successive sudden victory overtime periods of the same duration will be played until a winner is declared. Free pass award and choice of ends for each overtime period will be as outlined under the normal tie-breaking procedure.
- 5.9.6 Playing rules for mini-games will be applied as though the game was tied at 0-0 with ten (10) minutes remaining in regulation time. The home team will be awarded the free pass to start the mini-game and the choice of ends.

6.0 EVENT SANCTION PROCEDURES

NOTE: Failure to follow these procedures could result in being denied hosting approval in subsequent years.

6.1 Website Form

Blank Sanctioned Event Applications (Appendix G&T-F-01) can be found on the ORA Website
<http://www.ontario-ringette.com/administration/forms.php?sub=administration>

6.2 Hosts

Potential hosts are to complete an application and submit it to the O.R.A. office. An O.R.A. member association, which hosts a tournament regularly, on an annual basis, acquires a “traditional” right to that weekend each year, as long as they apply by the deadline and have met the prescribed host requirements outlined in the Sanctioning Package and are in good standing. Sanctioned events cannot advertise specific details (dates, divisions & team registration fees) prior to receiving approval.

6.2.1 Definition

- **Tournament:** This term refers to an event where game results will be used to determine standings, rankings or qualification for a championship, including semi-finals and finals.
- One (1) day tournaments will be sanctioned with a maximum of three (3) games per team. Regular ORA sanction fees and event rules apply. Sport Development rules apply to U12 and below divisions where there is a maximum of two (2) games per day
