NOTICE to the MEMBERS

ORA Marketing Focus Group

The ORA is ramping up its marketing program.

The communications team is activating a Focus Group process. If you are a player, parent, coach or official that has some terrific ideas on how the ORA should market itself then we would like to hear from you.

The time commitment is 2-3 meetings or conference calls over the next four months commencing the end of February.

Please contact Colin Deans - V.P. Communications at vpcommunications@ontario-ringette.com if you would like to be involved!
