Ringette Resume

Skills –

- Decades of experience in volunteer associations doing primarily analytical and financial tasks.
- Leadership as needed: five years as a regional chair and two years as an association president.
- Strong oral and written communication skills. Vastly experienced with spreadsheets.
- Deep knowledge and skills in information technology, especially developing software for non-IT users.

History -

I became a Ringette dad in 1991 when the Burlington association formed. All three of my girls played and loved the game.

- At the provincial level I was the Regional Director for Southern Region for 5 years (2010-2015), 7 years on Discipline and Complaints Committee (2010-2017, 6 years as Chair or Co-Chair), and for the 2016-2017 year I served as VP Finance.
- At the regional level I was part of the Southern executive for 12 years (2003-2016, 5 as Chair, 7 as Treasurer, 1 as Past Chair).
- I was recognized by the ORA as a Community Builder in 2004.
- I served at the association executive for 14 years (1995 -2010, 2 as President, 10 as Treasurer, 1 each as VP and Secretary).
- I was team treasurer and score keeper for some 27 teams. At one time or another I did every association job there was except refereeing (too hard!).

I have no family in the sport currently and I focus my participation at the provincial level now.
