14.0 CONFLICT OF INTEREST GUIDELINES

14.1 DEFINITION

Conflict of interest may be defined as a situation in which the decision makers have an actual or potential interest that may influence or appear to influence the conduct of their duties. Even when this conflict is not illegal, it may create doubts or suspicions concerning the integrity or fairness of decisions made by such persons.

O.R.A. standards require that those involved in making decisions consider all relationships involving themselves that may reasonably be thought to bear on their independence.

14.2 JURISDICTION

These procedures are applicable to the business, activities or events organized by Ontario Ringette Committees, its regions, members and participants.

14.3 DETERMINATION OF CONFLICT

In determining, in which relationships to declare a Conflict of Interest, consider such matters as:

14.3.1 Holding a financial interest, either directly or indirectly with those involved

14.3.2 Holding a position, either directly or indirectly, that gives the right or responsibility to exert significant influence over those involved

14.3.3 Business relationship of yourself, immediate family, close relatives or staff, either directly or indirectly with those involved

14.3.4 Personal relationship of yourself, immediate family, close relatives or associates, either directly or indirectly with those involved.

The best course of action when facing a conflict of interest is to be truthful to everyone involved and, if possible, excuse yourself from the situation. You have a duty to disclose a conflict of interest and not vote.

14.4 COURSE OF ACTION

14.4.1 There may also be situations where an individual is unwilling to disclose the details giving rise to the conflict of interest. In such cases it is sufficient to disclose the fact of the conflict as long as they withdraw from the situation concerned.

14.4.2 It is clearly improper for the person concerned to use their situation/position to have any influence upon that decision, save for the general responsibilities which a committee member may have. It is reasonable for the person concerned to document their concern, but they should remove themselves personally from any further decision making or attempt to utilize internal structure/ procedures.

In rare circumstances it may be that someone forgets or omits to declare a conflict or potential conflict of interest. In this case it is important to remember the mutual responsibility which all members of a committee have. This responsibility or duty can be seen to extend not just towards the individual but in an ethical sense to all involved.

14.5 SHARED RESPONSIBILITY

- 14.5.1 In such circumstances it would be reasonable to raise your concerns prior to, or during, the meeting in a sensitive way so as to allow the person concerned to reflect and decide whether they wish to declare a potential conflict based upon such a perception. If he/she does not wish to name such conflict and another person in the committee has a markedly different perception, it would be reasonable to declare the matter to the Chair who should deal with it as a procedural matter similar to a "point of order". Inability to resolve the matter should be referred to the President/Regional Director/Program VP, who shall rule on the matter.

15.0 DISCIPLINE AND COMPLAINTS POLICY

15.1 POLICY STATEMENT Membership and participation in the activities of Ontario Ringette offer many benefits and privileges. At the same time members and participants are expected to fulfill certain responsibilities and obligations, including complying with Ontario Ringette’s Code of Conduct as well as with Ontario Ringette’s other policies and procedures.

15.5.5 If a complaint is determined by the President, or designate, to be legitimate, the complaint will be designated as a minor complaint or a major complaint and dealt with according to the appropriate sections of this Policy. It will be at the sole discretion of the President, or designate, to determine whether a complaint is to be dealt with as a major or minor infraction

15.5.6 This Policy does not prevent an appropriate person having authority from taking immediate, informal or corrective action in response to behavior that constitutes either a minor or major infraction provided the individual being disciplined is told the nature of the infraction. Further sanctions may be applied, but only after review of the matter in accordance with the procedures set out in this Policy for major or minor infractions.

The President, or designate, may appoint an independent individual to conduct an investigation to determine the validity of a complaint. The investigative report will not be disclosed to the decision Discipline Panel.

**15.9 DISCIPLINE

15.9.1 Within fourteen (14) days of notifying the respondent of a complaint of a major infraction or of receiving the written report of the Investigator if an investigation was carried out, the President, or designate, will appoint three (3) individuals to serve as a Discipline Panel ("Panel"). The members of the Panel will select from themselves a Chairperson.

16.0 APPEAL REVIEW POLICY

16.1 PURPOSE

The purpose of this Review Policy is to provide a mechanism to examine and settle questions of procedural fairness within the Ringette community that is fair, quick and affordable.

The O.R.A. recognizes that the fundamental principle of procedural fairness underlies the dealings of all its members in their day to day administration of the sport.

16.1.1 The principles of procedural fairness are:

- That **Registered Participants** know in advance that a decision that could affect their personal rights or privileges is going to be made,
- That **Registered Participants** be able to hear and respond to the evidence presented when the decision is made, and
- That the decision maker will follow the established rules to reach the decision, base that decision on the evidence, and do so without taint of bias.

16.2 JURISDICTION

These procedures are applicable to the business, activities or events organized by Ontario Ringette, its regions, members and participants.

16.3 DEFINITIONS

16.3.1 “**Actual or apprehended bias**” - Bias is a pronounced lack of neutrality on the issue to be decided. A conflict of interest would be an example of an actual bias. The test for an apprehension of bias is: Would a reasonable person in the Ringette community knowing the relevant facts have good reason to suspect that the decision maker could have been improperly influenced to favour one side over the other?

16.3.2 “**Appellant**” - The member whose rights and privileges has been affected by a decision maker and is now filing the application for review.

16.3.3 “**Days**” – Calendar days excluding the initial date and including the deadline date. For example, if a seven day deadline starts on the 1st of the month then it will end at midnight on the 8th of the month.

16.3.4 “**Decision maker**” - An officer or director of the O.R.A. or of one of its **Regions** or Registered (Association) Members who has made a ruling that affects the rights and privileges of the appellant.

16.3.5 “**Ontario Ringette Representative**” – Any director, officer, committee member, volunteer, coach, athlete, official, referee, manager or **participants** within Ontario Ringette or its **Regions**, Registered Members or Registered Participants.

16.3.6 “**Receiving Organization**” – the body with jurisdiction to conduct the review.

16.3.7 “**Respondent**” – the person(s) whose decision is the subject of the

application for review. The original decision maker will typically be the respondent in a review.

16.3.8 **“Review Panel”** – the three people selected by the receiving organization to hear a particular review.

16.4 SCOPE AND APPLICATION OF THIS POLICY

16.4.1 Any ruling made by a decision maker that affects the rights and privileges of a participant may be reviewed under this policy except for:

- Volunteer appointments,
- Matters relating to the substance, content and establishment of team selection criteria,
- Budgeting and budgeting implementation,
- Matters of operational structure and committees,
- Referee decisions,
- Tie-breaking decisions,
- Matters where existing avenues of review or appeal have not been exhausted ,
- Matters where either the appellant or the respondent is not a member/participant of the O.R.A.,
- Discipline matters and decisions arising during events organized by entities other than those within Ontario Ringette and its members, which are dealt with pursuant to the policies of these other entities,
- Matters of employment,
- Infractions for doping offences, and
- The rules of Ringette.

16.5.3 **Grounds for Review** – Not every decision may be reviewed. Decisions may only be reviewed, and reviews may only be heard, on the following procedural grounds:

- **Failure of Due Process** – That the decision maker failed to follow or incorrectly interpreted the written rules and/or policies of the O.R.A. in making its decision.
- **Exceeding Jurisdiction** – That the decision maker lacked the proper authority to make the decision it did.
- **Misapprehension of Fact** – That the decision maker based a decision on a finding of fact that was not reasonably supported by the actual evidence.
- **Bias** – That the decision maker was affected by actual or apprehended bias.

16.5.4 **Timing of the request -**

- The complete application for review shall be filed with the receiving organization within twenty-one (21) days of the date of the delivery of the decision being reviewed. If the receiving organization is the O.R.A. and the deadline falls on a day when the office is not open then the next day the office is open will become the deadline.

- If the decision was verbal then the member can request that it be put in writing and the deadline to file will start from receipt of that written decision.

- Any party wishing to initiate a review beyond the twenty-one (21) day period must provide a written request giving reasons for an exemption. The decision to allow or not allow a review outside the 21-day period will be at the sole discretion of the President of the receiving organization, or designate, and may not be reviewed.

16.6 SCREENING OF REVIEW

16.6.1 To have merit a request for review must:

16.8 THE REVIEW DECISION

17.4.2 The Screening Committee is responsible for receiving and reviewing all PRCs and, based on such reviews, making decisions regarding the appropriateness of individuals occupying ‘designated positions’. The Screening Committee may approve an individual’s participation in a ‘designated position’, may deny an individual’s participation in a ‘designated position’ or may approve an individual’s participation in a ‘designated position’ subject to terms and conditions as the Screening Committee deems appropriate.

17.4.3 In carrying out its duties, the Screening Committee may consult with independent experts including lawyers, police, risk management consultants or volunteer screening specialists. The decisions of the Screening Committee are final and binding and may not be appealed.

17.5 PROCEDURE

Each person subject to this policy will apply for and obtain a PRC at their local police detachment. If there is a charge to obtain the PRC, Ontario Ringette will **not** reimburse the person for such expense.

17.5.1 Each person subject to this policy will submit the original copy of their PRC to the Screening Committee of the association they register with, in an envelope marked ‘Confidential’.

17.5.2 The Screening Committee will review all PRCs received and will determine whether the PRC reveals a relevant offence. The Screening Committee will render its decision in accordance with Section 17.5 and will notify the person and Ontario Ringette of its decision in writing. The original copy of the PRC will be returned to the person who supplied it.

17.5.3 PRCs are valid for a period of three (3) years.

17.5.4 PRC's for Bench Staff must be done by January 8th each year.

17.5.5 PRC for all Officials who are eighteen (18) years of age and older must be done by January 8th each year.

17.5.6 If a person has been screened and approved by a member club, Ontario Ringette will confirm such approval and not require a second screening.

18.0 SOCIAL MEDIA POLICY

18.1 INTRODUCTION This policy has been developed to provide advice for associations, leagues, teams, volunteers, members and players to help make informed decisions about how they use the internet and other electronic methods of communication.

18.1.1 Social media has become an integral part of the way we communicate with our audiences and friends. Social media includes personal and professional websites, blogs, chat rooms and bulletin boards; social networks, such as, but not limited to, Facebook, LinkedIn, and Twitter; video and image sharing sites such as YouTube, Instagram; and e-mail. As some online postings could conflict with the interests of the Ontario Ringette Association (O.R.A.) and its membership, O.R.A. has adopted the following Social Media Policy.

18.1.2 Breach of this policy may result in either a warning or possible disciplinary action.

18.2 JURISDICTION These procedures are applicable to the business, activities or events organized by Ontario Ringette, its regions, members and participants.

18.3 GUIDELINES It is everyone's responsibility to follow proper procedures both in the arena and on the web.

18.3.1 Coaches, associations, officials, volunteers and others in a position of trust in ringette need to act responsibly, both on and off the ice, and this includes the use of electronic communications. Associations, leagues and teams that set up websites have a responsibility to ensure monitoring and compliance mechanisms are in place. Coaches, officials and those in a position of responsibility in associations and must ensure they communicate responsibly.

18.3.2 Everyone using any social media platform should:

- Think twice before posting, once posted it cannot be retracted.
- Maintain a positive social media presence. Negative behavior and comments reflect badly on you and could impact the reputation of the O.R.A.
- Write in the first person so that it is clear that you are expressing your personal opinions and not those of the O.R.A. or any other organization.
- U18 players should obtain permission from parents to post photographs and or names to social media sites.

18.3.3 Everyone using any social media platform shall NOT:

- Publish negative comments about other associations, teams, players or

referees, and any controversial or potentially inflammatory subjects or incidents that may have occurred.

- Use harassing, hostile or derogatory language in any online communications. Please refer to the Hazing, Bullying and Harassment Policies on the O.R.A. website for a more complete description.
- Be careful when responding to any inaccurate or negative comments about your association, team, player or anyone involved with your association. In order to avoid escalation do not engage in an open debate about these comments. Please contact the O.R.A. for advice.
- Use copyrighted information without citations and links. When publishing either exact or paraphrased text, photos or videos, give credit to the author or publisher. Never use trademarks, slogans, logos etc without obtaining permission from the copyright owner.

18.4 REGIONS, ASSOCIATIONS AND LEAGUES

Regions, Associations and Leagues are responsible for ensuring all content hosted on their websites, social networks, message boards or blogs abide by the Rules and Regulations of O.R.A. As a representative of O.R.A., Regions, Associations/Leagues that maintain a social media presence to promote or communicate themselves, will assume responsibility for reviewing responses to online posts and resolving any concerns about the propriety of the responses. If you do not have a moderator to approve all postings before they appear online, it is highly recommended that you have someone to review all complaints and review and remove any offensive comments within 48 hours of receiving the complaint.

18.5 TEAMS, PLAYERS AND VOLUNTEERS

Many teams, players and volunteers create websites, including social media pages, on one of the many hosting sites. These sites can be very useful in announcing league changes, new practices, changes of arenas, cancellations due to weather, team scores, tournament wins, etc. Although many players seventeen (17) years of age and younger will have their own email address, all communications should also be sent to the parent’s email as well. No adult should communicate one on one with a player seventeen (17) years of age or younger. Players seventeen (17) years of age or younger should be encouraged by their coaches and parents to inform an adult they trust if they receive any communications that makes them feel uncomfortable or if anyone has told them not to tell anyone about a communication. The website should contain information for the person to contact in these cases.

18.6 COACHES AND REFEREES

A large percentage of O.R.A. coaches and referees deal with children who are under 18 years of age. Many of our referees and coaches in training are also under 18. Extra care must be taken with this age group to avoid even an appearance of improper conduct. All public communications in social media to those under 18 about the association/leagues shall be conducted using “official” O.R.A. social media sites only.

- 18.6.1 Unless a player/referee/coach seventeen (17) years or younger is a direct relation, the coaches, managers, referees, trainers and association officials should generally not:

- Accept anyone as a friend on social networking sites, or share their personal social webpage's with anyone under 18.
- Make contact with anyone outside of the ringette context via any social networking media.
- Send personal messages of a non-ringette nature to anyone under 18.
- Engage in any personal conversations or social comments.

Any questions on the O.R.A. social media policy or any incident related to it should be directed to the O.R.A. office.

19.0 ANTI-DOPING POLICY

19.1 POSITION STATEMENT

Ontario Ringette is unequivocally opposed on ethical, medical, and legal grounds, to the practice of doping in sport and fully supports the position of Ringette Canada and Sport Canada against the use of banned substances and methods. The use, possession, and/or trafficking of banned substances, methods or recreational drugs, or the encouragement or counseling to use banned substances, methods or recreational drugs; and/or taking measures to mask the use of banned substances, methods or recreational drugs by any member of Ontario Ringette is unacceptable, constitutes doping violations, and will not be tolerated.

Note: Recreational drugs include all substances, the use of which is restricted or prohibited by law. They include substances that may not already be included under the banned or restricted lists of the International Olympic Committee (IOC). These lists are adopted by Ontario Ringette.

Ontario Ringette accepts the Canadian Center for Drug-Free Sport's policy on banned substances: "The deliberate or inadvertent use by an athlete of a substance or method which is banned by the International Olympic Committee constitutes doping. The International Olympic Committee and International Sports Federations forbid such practices. The provision or administration of such banned substances or methods to athletes is forbidden."

Ontario Ringette will adhere to Ringette Canada's anti-doping policy which outlines doping control, violations, penalties, etc.

19.2 JURISDICTION

These procedures are applicable to the business, activities or events organized by Ontario Ringette, its regions, members and participants.

19.3 PREVENTION

19.3.1 Ontario Ringette is aware that, at any time, Sport Canada and Ringette Canada can randomly check Ringette players for use of banned substances or methods. Ontario Ringette, at present, does not conduct independent checks of its athletes, but does comply with standards set by Ringette Canada, and recognizes that checks more likely will occur at the Canadian Ringette Championships, Canada Winter Games and World Ringette Championships.

19.3.2 Ontario Ringette educates its Team Ontario players directly by supplying the teams with documentation on its anti-doping policy. At the same time, Ontario Ringette will afford each local association the opportunity to receive information on banned substances and methods, should they desire.

19.4 DOPING PENALTIES

The following penalties are to be used for all athletes representing the province/country at the Canadian Ringette Championships, Canada Winter Games and World Ringette Championships. Local associations are strongly urged to adopt these penalties as well.

19.4.1 Ontario Ringette shall respect all sanctions/penalties imposed by Sport Canada, World Ringette Federation or Ringette Canada

regarding doping violations by Ontario Ringette athletes.

In addition, for inadvertent or intentional use of banned substances or methods, or refusal to provide a urine sample, the following Ontario Ringette grid of penalties may be applied:

19.4.2 Inadvertent use:

- verbal or written reprimand; and/or
- barred from next competition or training camp; and/or
- barred from training or competition for a period of time

19.4.3 The above penalties shall be considered for first or second offences. Otherwise:

Intentional use /Failure to provide a sample:

- 1st offence - minimum 1-year suspension
- 2nd offence - life suspension

19.5 APPEALS

20.0 INFORMAL REVIEW OF ADMINISTRATIVE /PROCEDURAL FINES

- 20.1 PURPOSE** To allow a Request to Review where an administrative/procedural fine has been assessed and there are no grounds for a request for review under the ORA Administrative Review Policy.
- 20.2 DEFINITION** This applies to any fine that is arbitrarily assessed based on a policy/procedural violation including but not limited to:
- 20.2.1 Outstanding invoices levied ten (10) percent finance charge after thirty (30) days if not paid,
 - 20.2.2 Sanction Event Applications received after June 30th subject to a one hundred dollar (\$100.00) fine or,
 - 20.2.3 Administrative, Participant and Other Rules listed under Violation of Sanction Rules.
- 20.3 SCOPE** Applies to fines levied by the ORA, its staff or Standing Committees.
- 20.4 FILING A REQUEST FOR REVIEW** Requirements – the applicant must:
- 20.4.1 Acknowledge that the infraction occurred and that it will not be repeated in the future,
 - 20.4.2 Pay the fine in full,
 - 20.4.3 Pay an additional \$100 review deposit, and
 - 20.4.4 File a request in writing with the provincial office within twenty-one (21) days of receiving the written notice of fine.
- 20.5 THE REQUEST FOR REVIEW**
- 20.5.1 A concise summary of the facts
 - Who the applicant is,
 - Who the fining authority is,
 - The written reason for the fine, and
 - A brief but complete outline of the facts of the matter.
 - 20.5.2 Any mitigating factors that the applicant wishes the review panel to consider

- 20.6 RESPONSE** The fining authority will be sent a copy of the Request For Review and will then have two (2) weeks to respond in writing to the request. The response should contain:
- 20.6.1 Additional facts as needed,
 - 20.6.2 What rule or policy was infringed and where and when it was published to the membership,
 - 20.6.3 A summary of the communications, both verbal and written – between the fining authority and the applicant relating to this incident,
 - 20.6.4 History of related previous fines involving the two (2) parties in the last three (3) years, and
 - 20.6.5 Any aggravating factors that the fining authority wishes the review panel to consider.
- 20.7 REBUTTAL** The applicant has one (1) week to rebut the response once it is received.
- 20.8 PANEL SELECTION**
- 20.8.1 A panel will be constituted to determine the matter. Each member of the panel must be free of conflict of interest – actual or perceived – in the matter. The panel will select a chair from amongst its members.
 - 20.8.2 If the fine is less than \$500.00, the outcome will be determined by a panel of one (1).
- For amounts of \$500.00 and greater, the outcome will be determined by a panel of three (3) members.
- 20.9 HEARING** Having reviewed the documents, the panel may be satisfied that it can proceed purely by way of documentary evidence. If it is not satisfied then it may extend the timelines so that questions it puts to one or both of the parties can be properly answered, or it may decide to convene a hearing to take verbal submissions. Such a hearing may be in person or by teleconference at the option of the panel and must be scheduled so that all parties have a reasonable chance to participate. Lack of participation means that the written submissions are used as is.
- 20.10 REVIEW DECISION** The review panel has one (1) week from the decision to proceed by way of documentary evidence or the conclusion of the verbal hearing to reach a decision and has another week to issue written reasons. The decision of the panel will only be based upon the evidence as provided by the appellant and respondent.
- Written reasons will include:
- 20.10.1 Decision of the panel to deny or allow request,

20.10.2 Names of the panel members, and

20.10.3 Rationale for the decision made

**20.11 CONSIDERATIONS
 IN DETERMINING
 THE OUTCOME**

Every case is different and it is up to the best judgment of the panel to make the fine fit the infraction. The purpose of levying fines is not to raise money but to educate the members and ensure future compliance with the rules. The aim is to have people understand that the rules are serious and that the penalties levied to enforce them are fair and reasonable in the circumstances.

**20.12 CRITERIA TO
 CONSIDER WHEN
 SETTING THE
 AMOUNT OF A
 FINE**

20.12.1 Recognition by the applicant that the rules were broken and must not be broken again,

20.12.2 The pattern of communications between the parties on this issue,

20.12.3 Whether this is a first or repeated infraction,

20.12.4 Extenuating circumstances, and

20.12.5 Aggravating circumstances

20.13 AMOUNT OF FINE

The maximum fine is meant to be levied only in the very worst cases. The facts of each case are scaled against that worst case and a proportion of the maximum is assessed.

20.13.1 For a first-time offender to write a cheque in any amount is an acknowledgement of wrong doing and doing this is a bigger deterrent than the amount of the cheque itself.

20.13.2 Repeat offenders are more deterred by the amount of the cheque.

**20.14 DISPOSITION
 CONSIDERATIONS**

The expectation is that different decisions will be broadly consistent with each other in the sense that equally serious infractions will receive comparable treatment and that more serious infractions will be punished more severely than less serious infractions. If the decision is to lower the fine then a refund will be made within two (2) weeks of the issuance of the written decision.

**20.15 DETERMINATION
 OF DEPOSIT**

The \$100 deposit may be kept or returned, in whole or in part, at the sole discretion of the panel and this decision may not be reviewed.

**20.16 REVIEW OF
 DECISION**

The review process of the fine may itself be reviewed under our Request for Review policy should sufficient grounds exist, otherwise the decision is final.

20.17 PUBLICATION

The outcome of the request and the written reasons for it may be published unless it contains confidential information which must be respected.
